SEMINARS START AT 11:00 A.M.

Nov 5th
2011

“All About Helis”

Join us as our own Brent T. demonstrates tips and techniques for fixing and flying helicopters. Bring in your heli if you need help and please come with any questions you may have!

“Electric Flight & Charging Basics”

Nov 12th
2011

Teo Terry will cover the basics on electric flight and charging different kinds of batteries. There are lots of different aspects in this area, so please ask any questions!

Nov 19th
2011

“Sailplanes & You”

Gino Pastori will be presenting a seminar on flying sailplanes.

Free Coffee & Donuts!

There will be plenty of time for any questions too!
