Refreshments and food available.

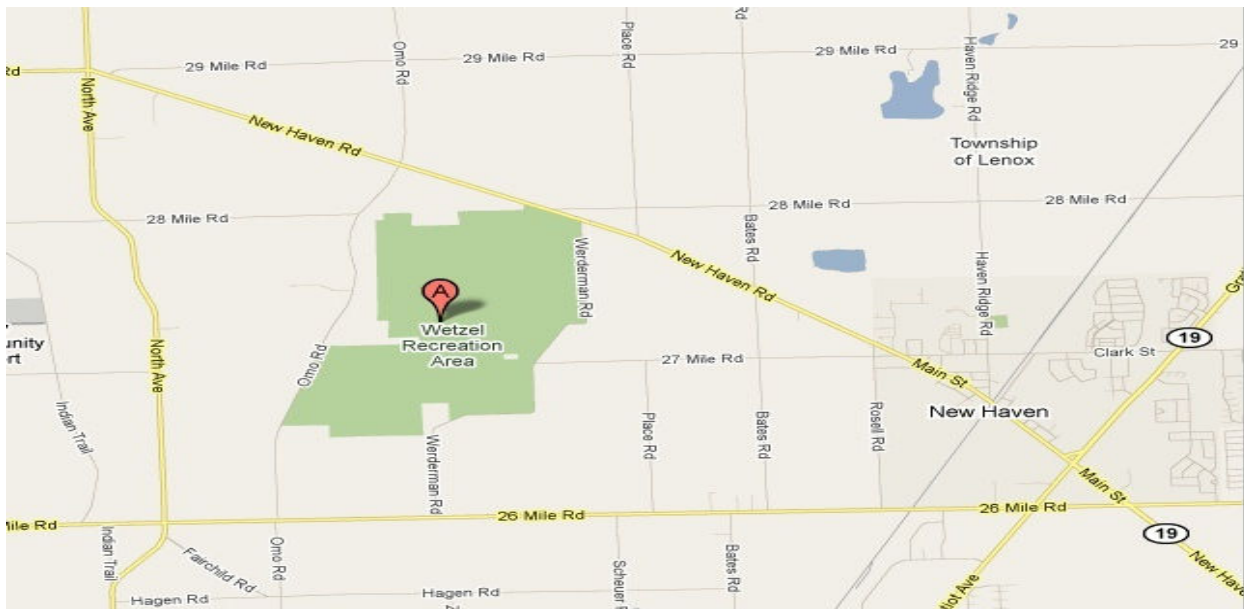

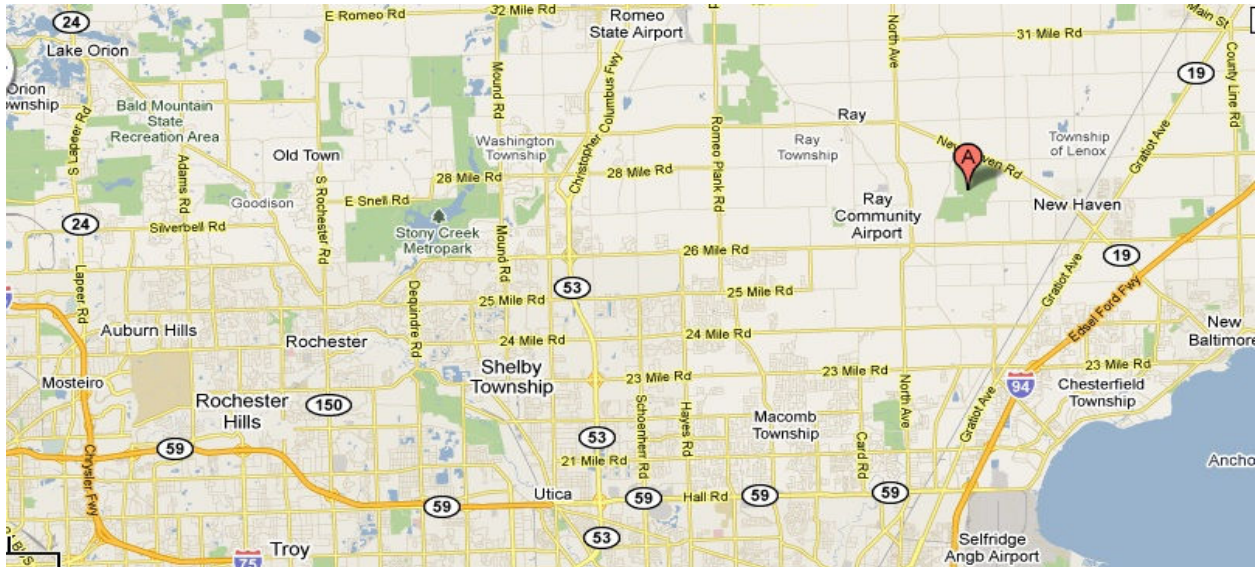

Tom Brett in 1962 with his FAI World Championship winning "Perigee" in London, England.

During the years of 1962-1964 our club was fortunate to have Tom Brett as our President. Tom was an excellent flier, builder, and designer of many pattern type aircraft. His design skills resulted in the Nimbus I, II, and III, Apogee, Perigee, and Cirrus. This contest is a memorial to his great accomplishments in the world of pattern flying.
