Discover Radio Control Model Aviation & Support the Wounded Warrior Project®

Join us for an hour, or join us for the day:

- Watch & experience many aspects of model aviation: Scale; sport; aerobatic; gliders; combat; electric, glow & gas power, U/control, etc.
- Presented by one of the country's oldest R/C clubs.
- Try it on the "buddy box" and our club trainers.
- Already fly RC? Bring your plane, AMA card, and fly on our beautiful model flying field.
- Refreshments available.
- Ample parking and bleacher seating

There is no cost to view and participate in the flying or the refreshments, however donations toward the **Wounded Warrior Project (WWP)*** are welcome. How about \$1 or \$2 to fly our trainer? All proceeds of the day will go to the WWP.

So join us, have fun, and support our Wounded Warrior Project.
