Join us for our Warbirds and Scale event. Models of any full-scale aircraft are welcome. Please bring simple documentation if your model is of a rare or unusual full-scale aircraft.

To assist our PA announcer bring some facts about your model/s and the full-size aircraft it represents. We'll have blank fact sheets or you can bring your own. (If you don't provide facts, he'll make stuff up!)

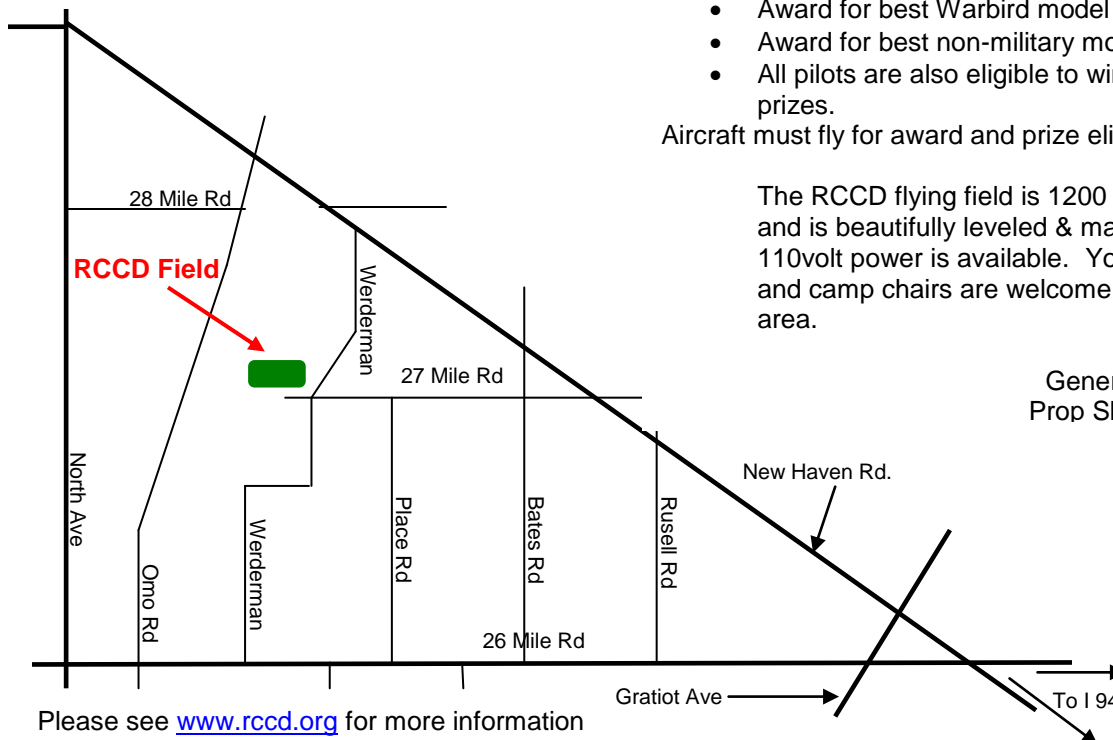

Awards and Prizes:

- 100 years ago, pilots were being trained in large numbers for battle in WWI; 75 years ago, for WWII; 50 years ago for Vietnam. In recognition of the aircraft they trained in, the most realistic model of a military trainer, flown at the event, will receive a special award and prize.
- Award for best Warbird model (WWI to today).
- Award for best non-military model.
- All pilots are also eligible to win lucky-draw prizes.

Aircraft must fly for award and prize eligibility.

The RCCD flying field is 1200 ft long, 300 ft wide and is beautifully leveled & maintained grass. 110volt power is available. Your pop-up shelters and camp chairs are welcome in the spacious pit area.
